

Northern New Mexico Jobs

Where a bright future meets a colorful past

Los Alamos National Laboratory's Human Resource Division wants to help Northern New Mexico Employers, with or without internet access, to share information about their companies and the opportunities they offer. To accomplish this, LANL has created a Web site that will serve as a guide to Northern New Mexico, its communities, and its career opportunities.

Instructions

Please fill out this form and either attach it to an e-mail or mail to the appropriate address below. For further information call Sandy Misage at 505.665.3075.
